

Information evening Learning difficulties

Wednesday 14 October 2026

How hidden disabilities affect a child's learning potential

The Parents' Association of the European School in Karlsruhe is pleased to invite you to

- an **online information evening on dys disorders**
with **Mrs. Dr. Michèle Mazeau**
from 6.30 pm to around 8.00 pm
Languages : presentation in French with visual aids in English.
- A '**Dys**' evening: an opportunity for families to watch the online presentation together and then chat.
From 6.30 pm
Location: Mitmachladen Südwest (Mathystr. 12, 76133 Karlsruhe)
Languages: Discussions can take place in French, German and English

With the right support, dys disorders are no barrier to success.

On the contrary, thanks to adapted tools and a supportive environment, many children and adults with dys disorders develop exceptional skills, remarkable creativity and inspiring resilience. Come and discover how to turn challenges into opportunities!

Dr Michèle Mazeau is a specialist in cognitive development disorders in children, particularly 'dys' disorders and specific learning difficulties. From the differentiated identification of these disorders to the possibilities for inclusive adaptations and compensatory measures within the school environment, Dr Michèle Mazeau will explain how these disorders affect children at school and at home. She will suggest ways in which families can support and guide their children and help them flourish in their daily lives, working with them to build their future. Website : [Dr. Michèle Mazeau](#)

How to register:

Participation is free of charge. Please register by sending an email to Mélanie Gérard: sen_fr@esk-eltern.de before 13 October 2026, specifying the event you wish to attend.

We look forward to meeting you.

The SEN (Special Educational Needs) team of the Parents' Association at the European School in Karlsruhe

If you would like us to cover other topics in future, or if you know of any experts who might be willing to contribute, please feel free to contact us and send us your suggestions by email.
